

# PIPEWAVE

## Wall and ceiling mounting

Pipewave - The infrared heating column for the flexible use.

Pipewave is available in three different sizes for wall and ceiling mounting.

### TECHNICAL DATA

Surface: aluminium powder coated

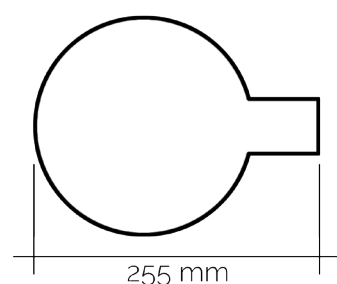

Heating element: infrared heating

Voltage: 230 Volt, 50 Hz

Elektromagnetical Tolerance: low emission

Protection: IP40

Warranty: 60 months

PIPE UP  
YOUR LIFE!

Model	Wattage	Weight	Size
Pipewave small	600 Watt	approx. 7 kg	Ø 200 x 1015 mm
Pipewave medium	1200 Watt	approx. 12 kg	Ø 200 x 2015 mm
Pipewave large	1800 Watt	approx. 17 kg	Ø 200 x 3015 mm

# PIPEWAVE

## Stationary heating

Pipewave - The infrared heating column for the flexible use.

The stationary heating is available in two sizes.

### TECHNICAL DATA

Surface: aluminium powder coated

Heating element: infrared heating

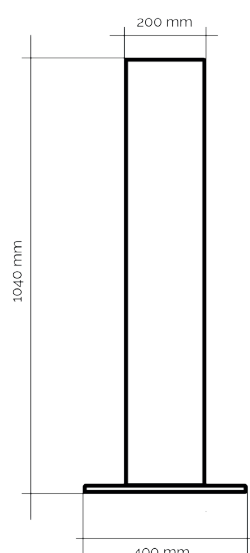

Voltage: 230 Volt, 50 Hz

Elektromagnetical Tolerance: low emission

Protection: IP40

Warranty: 60 months

Type of wood: MDF

Model	Wattage	Weight	Size
Pipewave small	600 Watt	approx. 10 kg	Ø 400 x 1040 mm
Pipewave medium	1200 Watt	approx. 15 kg	Ø 400 x 2040 mm
